What to Expect

Welcome to Elizabeth! If you're joining us for the first time, here's a quick guide of typical elements during the Order of Service you can expect, which normally lasts about one hour.

Beginning the Service

Our service begins with the "Chiming of the Hour," a ringing of a bell that serves as a distinct call to worship, inviting us to transition from the ordinary to the sacred.

Music and Singing

Our Music Director leads the congregation in uplifting music and hymns. We primarily use songs from "The Faith We Sing," a cherished hymnal in the United Methodist tradition.
